

## **Pennsylvania Primary Care Career Center Website Job Posting Policy**

The Pennsylvania Primary Care Career Center, a division of the Pennsylvania Association of Community Health Centers (PACHC), has the capability to post jobs to and refer candidates from the [www.3rnet.org](http://www.3rnet.org) job board. (The 3RNET job board is a function of the National Rural Recruitment and Retention Network.) PACHC members may post jobs for free. The 3RNET job board can be searched from the Career Center website, [www.paprimarycarecareers.org](http://www.paprimarycarecareers.org).

The Career Center will also allow non-organizational members with a facility in the Commonwealth of Pennsylvania to post job openings on the Career Center website. This pricing varies depending on the type and size of an organization:

**Small Nonprofit** - a nonprofit organization with less than \$5 million annual revenue.

**Large Nonprofit and Small For-Profit** – a nonprofit with annual revenue exceeding \$5 million or a small for-profit healthcare entity (such a solo medical practice) that has less than \$5 million in annual revenue.

**Large For-Profit** – a for-profit healthcare entity that has annual revenue exceeding \$5 million.

The following fees pay for a THREE-MONTH posting. You may renew the posting at the full price after three months.

- Small Non-Profit - \$300 per job posting
- Large Non-Profit and Small For-Profit - \$500 per job posting
- Large For-Profit - \$1000 per job posting

To post a job contact [Judd Mellinger-Blouch](#), Director of the Pennsylvania Primary Care Career Center.
